

## Meet Brenda Trumbauer

Brenda Trumbauer joined the OBUUC staff in December 2007 as our full-time Office Administrator and assistant to our minister, Rev. Dr. Tony Larsen.

Brenda grew up in Pennsylvania, is married to Rich Benson and has grown children and stepchildren, two of whom are married. She comes to us with a varied background of corporate office management experience and more recently, church office management experience. She is a keyboard musician and serves as church accompanist (piano and organ) for a local Lutheran church and for students at Horlick High School. Another passion and part-time activity for Brenda is teaching beginner piano to children and adults.

She enjoys being the first point of contact in the office for those members or friends who may come to use our facilities or handle church business during business hours. Just ask and she will do whatever is possible to provide what is needed.

You can reach her at the church annex 262-634-0659 or email [churchoffice@obuuc.org](mailto:churchoffice@obuuc.org).
