

Meet Everett Kuiper

After serving at a number of local churches, Everett came to OBUUC in 1976 serving as keyboard musician. Everett has a M.Mus. degree in Piano Performance from the Chicago Conservatory College, where his studies included Organ, with a Minor in Vocal Performance. Everett has been very active in Racine's musical scene and has accompanied countless singers and instrumentalist throughout Southeastern Wisconsin.

We at OBUUC are privileged to have an historic Seven Rank Votey-Hutchings (tracker action) Organ installed (circa 1906). Everett Kuiper is thrilled to be a small part of this musical heritage, "What a joy and honor to play this historical gem every Sunday".

You can reach him at the church annex 262-634-0659 or by email at music@obuuc.org.
