RE Policies:

All children and teens must have a registration form on file with the Director of Religious Education.

For each family participating in OBUUC Religious Education, at any grade level, a parent/guardian should volunteer at least 3 times per school year in OBUUC's Religious Education.

In a divorced parent or blended family situation, both parents will be informed of Religious Education schedules, events and classes regardless of parent attendance at Olympia Brown UU Church. Parents are responsible for providing addresses to the Director of Religious Education.

To keep each other healthy we recommend that children participating in Religious Education are up-to-date on vaccinations.

Children and teens should be free from fever or vomiting for a period of 24 hours before participating in Religious Education.

In the event a child has a visible skin rash, pink eye, ring worm, or lice the child should refrain from participating in Religious Education or other OBUUC activities, until seen by a doctor.
